

Step 1: Go to <https://www.evaair.com/en-us/index.html> , click “Promo Code” under Book & Manage Your Trip page

The screenshot shows the EVA AIR website's main navigation bar. The 'Book & Manage Your Trip' menu is expanded, revealing three columns of options:

- Book a Flight:** Online Reservation, Promo Code (highlighted with a red arrow), Happy Hours, Refund Application/Inquiry, Print Certificate of Ticket Issuance.
- Manage Your Trip:** Seat Selection, Meal Order, Online check-in, Advance Passenger Information, An introduction of Manage Your Trip.
- Special Assistance:** Customer Service & Contingency Plan (Customer Service Plan, Contingency Plan, Flights with Oversales), Useful Information (Reservation, Ticketing).

Below the menu, a blue box contains instructions: "Enter your Promo Code to receive exclusive promotion fares. Seats are subject to availability, if your flight(s) is unavailable, please click [Online Reservation](#) to purchase your ticket(s)."

A 'Promo Code' input field is visible below the instructions. To the right, a 'FAQ' section is partially visible with the question: "Can I reserve a special meal using the EVA online booking system?"

Step 2: Key in promo code: NISSANACT and click confirm

The screenshot shows the promo code application page. The 'Promo Code' input field contains the text 'NISSANACT'. A 'CONFIRM' button is located to the right of the input field.

A 'Note' section is visible at the bottom left, containing the following information:

- Note**
- Seats are limited and might not be available on all flights. Promo Code cannot be used in conjunction with other promotions.
- Promo Code may not provide further discount for children tickets.
- Promo Code entitles the user to get promotion from the applicable promo code offer when purchased on [www.evaair.com](http://www.evaair.com) between the dates found on the promotion code offer.

On the right side, a 'FAQ' section is visible with the following questions:

- Can I reserve a special meal using the EVA online booking system?
- How far in advance can I book my flight?
- How will I know when my ticket has been issued?
